**ASSOCIATE
MEMBERSHIP
APPLICATION**

The Sandhills Cattle Association is an association of Sandhills area ranchers formed to advertise the quality beef cattle produced in Nebraska's Sandhills. Established in the late 1930's by area ranchers who saw a need to develop a means to assist in the purchase and sale of Sandhills cattle, the Association is an independent, non-profit, non-political organization. Over 450 Sandhills cattlemen and cattlemen, as well as over 250 businesses, make up the organization's membership roll. The Sandhills Cattle Association has a rich history of working with both the buyers and sellers of Sandhills cattle along with providing educational and promotional opportunities for its members.

Publications

Annual Directory

Listings of cattle for sale by Sandhills Cattle Association Members. The directory is mailed and emailed on July 1 to cattlemen across the country.

Sandhills Feeder Cattle News

Listings of cattle for sale by Sandhills Cattle Association Members...Producer members can advertise cattle for sale in this publication free of charge. The *Sandhills Feeder Cattle News* is published every other week from July – March.

Sandhills Cattle News

Membership newsletter keeps SCA members updated on Association events and activities.

Advertising

Display advertising is available in the *Sandhills Cattle News*. Associate members are entitled to a 5% discount. Price discounts are also given for camera-ready ads. Deadline for advertising in the Sandhills Cattle News is two weeks prior to mailing. Signature ads are sold in the *Sandhills Feeder Cattle News* on an annual basis. Display advertising is also for sale in the *Annual Directory*.

Web Site

www.sandhillscattle.com

This is where you will find us on the Internet. You can find listings of cattle for sale, feed/pasture wanted, feed/pasture available, ranch jobs and ranch employees. You can also read about the SCA and its activities, as well as contact us, through e-mail, directly from the site.

WHY BE A MEMBER OF THE SANDHILLS CATTLE ASSOCIATION?

"If I could only belong to one organization, it would be the Sandhills Cattle Association. When you consider the SCA's mission statement of promoting the people and resources of the Sandhills and the non-alignment policy on political issues, this makes for an excellent organization to promote our way of life. When added up, member benefits such as the listing service and the educational programs available make a membership worth far more than it costs." — SCA Member Rob Brawner, Bullis Creek Ranch, Wood Lake, Nebraska

Educational Programs

Annual Convention

Sandhills Cattle Association members have hosted an annual convention for 72 years. The convention features an industry trade show as well as speakers and seminars addressing topics pertaining to the cattle and ranching business in the Sandhills of Nebraska. The convention is held the Thursday prior to the three-day Memorial holiday in May.

Ranch Tour

Each year the Association hosts a ranch tour in a different area of the Sandhills. The tour is open to the public and 4-6 ranches are toured in a day. It is an opportunity for others to tour different ranches and see, firsthand, different facilities and management practices. It is also an opportunity for renewing acquaintances and sharing ideas.

Scholarships

For over 20 years, the Sandhills Cattle Association has awarded scholarships to qualified applicants who plan to attend college or vo-tech school. Successful applicants must be sons or daughters of current SCA members. They must complete an application form, write a short essay and finalists are interviewed by the Scholarship Selection Committee. Five \$1,000 scholarships will be awarded this year. In addition, the Association administers the Howard Wright Memorial Scholarship given annually in the amount of \$500. The SCA also pays the registration fees for up to five students to attend the Nebraska Youth Beef Leadership Symposium held each fall at the University of Nebraska-Lincoln.

EP&C Contest

For 30 years members of the Association have placed their cattle in the Educational, Performance and Carcass (EP&C) Contest to not only learn about feeding cattle and obtain carcass data, but to also raise funds for the Association. Through the years, this contest has provided opportunities for producers to tour packing plant facilities, compare feedlot facilities and programs and to learn about technologies such as ultrasound, electronic I.D., etc.

Lists

Feed & Pasture Wanted, Feed & Pasture Available, Ranch Jobs or Ranch Employees

We maintain, at the office, listings of feed and pasture, jobs and ranch employees. These lists are available through a producer membership or an affiliate feedyard membership. The lists are available to associate members for a fee of \$35/year and they are available to non-members on a subscription basis for an annual fee of \$65. The lists are updated daily and are made available to assist people working in the region's cattle ranching business.

Programs

Annual Benefit Auction/ Benefit Golf Tournament

To raise funds for scholarships and educational programs, the Sandhills Cattle Association hosts a Benefit Auction and a Benefit Golf Tournament in conjunction with the annual convention. Donated items are sold in an auction during the convention. The day before convention, an 18-hole scramble golf tournament teams up golfers of all skill levels for a fun day of golf.

Wage/Price Surveys

The Sandhills Cattle Association conducts an annual survey to determine current wages and benefits paid to employees, as well as prices paid for summer pasture, feed, etc. The SCA has long been a clearinghouse of information about the area and its beef industry.
